BID-WINNING OF AN EQUIPMENT PROCUREMENT PROJECT WITH HAINAN PROVINCE HIGHWAY DEPARTMENT

This announcement is made by Fretech Road Recycling Technology (Holdings) Limited (the “**Company**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Cap. 571, Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company is pleased to announce that on 14 October 2016, Nanjing Fretech Road Maintenance Vehicle Manufacturing Corporation (“**Fretech Manufacturing**”), an indirect-wholly owned subsidiary of the Company, successfully bid an equipment procurement project (“**Equipment Project**”) with Hainan Province Highway Department* (海南省公路管理局) (“**Hainan Highway Department**”). Pursuant to the Equipment Project, Hainan Highway Department agreed to purchase 13 units of standard series asphalt pavement maintenance (“**APM**”) equipment from Fretech Manufacturing before the end of 2016. Bulk procurement of the APM equipment in one contract is relatively rare in the industry. Hainan Highway Department will allocate the equipment to its local city highway bureaus in order to serve the daily maintenance works of highways and state roads across Hainan Province. Subsequent to the 3 units of standard series APM equipment purchased by Hainan Highway Department from the Company and its subsidiaries (the “**Group**”) in 2015, the APM equipment to be purchased by Hainan Highway Department from the Group under the Equipment Project is the second transaction for purchasing standard series APM equipment.

Information of Hainan Province Highway Department

Hainan Highway Department is the government department responsible for maintenance and management of all highways and state roads and part of the county roads in Hainan Province of the People’s Republic of China.

The Company will continue to seek more opportunities to expand its business through bulk procurement.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
